Dear Examiner Charles:

This amendment and argument is filed in response to the non-final office action mailed 6/24/2009.

Amendment

## I. In the Drawings.

1. The Examiner is respectfully referred to Figure 3 which describes a one-way clutch 42 comprising a damper 68. See also page 5, lines 14-25.

## II. In the Specification.

1. The Examiner argues that the specification does not provide an antecedent basis for "the one way clutch unit comprising a damper" as in claim 9. Please refer to Figure 3 and page 5, lines 14-25.
